**EVERYONE THINKS FORGIVENESS IS A LOVELY IDEA UNTIL THEY HAVE SOMETHING TO FORGIVE** ~ C.S. LEWIS

## NATIONAL ROSARY CRUSADE

*If My people, who are called by My Name, humble themselves, and pray, and seek My face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal their land. 2 Chronicles 7:14*

It is certain that America is at the most crucial moment of her history. At this time we would do well to keep in mind the power of the Rosary and the message of Fatima. The Rosary is not merely a devotion, it is a weapon. Never has this weapon been more needed than it is today.

The Rosary has proven itself as a weapon of protection. Some of the battles in which victory was attributed to the Rosary are: The battle of Lepanto in 1571, which the Church commemorates on October 7th as the feast of the Holy Rosary; the battle of Vienna in 1683 and the battle of Belgrade in 1716. These battles were won against all odds by the power of the Rosary. In each instance Europe was saved from the forces of Mohammed.

In the 20th century we have witnessed many examples of Rosary victories. After WWII, the Allies partitioned Austria into four zones. The Russians were in control of the most important section; Moscow, interested in maintaining its control in Austria, garrisoned a very large number of troops there. It was then that a Franciscan priest, Fr. Petrus Pavlicek, began a Rosary Crusade to save Austria. The Communists tried many times to take complete control but were not successful. In the meantime Fr. Petrus continued recruiting more members for the crusade. By April 1955 the crusade had 500,000 members. The Chancellor of Austria was summoned to Moscow, and was received on May 13th. He wrote: Today, a day of Fatima, the Russians are still hardened. Pray to the Mother of God that she aid the Austrian people. It seemed all was lost, but it was at this moment that God intervened. In May 1955 there was a miracle. The Russians suddenly granted independence to Austria. During the thanksgiving ceremony in Vienna all of the speeches attributed the victory to the Virgin of the Rosary.

In 1964 Brazil came under Communist control and it was quite probable that all of South America would fall. Fr. Patrick Peyton had been organizing the Family Rosary Crusade in Brazil and during that time more than 5.5 million people attended. Once again the Rosary was victorious. The civil and military chiefs of the liberators were almost unanimous in attributing the victory to Our Lady of the Rosary. On April 25, 1974 the Communists came to power in Portugal. Four teachers launched a National Rosary Crusade and obtained pledges of a million Rosaries. In November of 1975, without bloodshed, the Communists relinquished their power. Those four teachers founded a new religious order known as Alianca de Santa Maria (the Alliance of Holy Mary), which continues to promote the Rosary in Portugal and abroad.

In 1952 Bishop Fulton J. Sheen wrote "*The World's First Love*", a beautiful book about Our Lady. It includes a prophetic chapter titled "*Mary and the Muslims*". Bishop Sheen makes it very clear that it is no mere accident that the Blessed Mother, in the 20th century, should have revealed herself in the little village of Fatima, so that to all future generations she would be known as Our Lady of Fatima. Fatima was the name of Mohammed's daughter. Bishop Sheen believed that Our Lady of Fatima would convert the Muslims. We believe she is our only hope for the United States and the world.

The culture of death has gained significant control in our political affairs in recent years. It is obvious that we cannot overcome this evil on our own. Politically speaking, we are in the minority. That should not discourage us because God always works with minorities. When victory comes, there will be no doubt that it is the result of the power of God, not the actions of men.

We are now engaged in a war against worldwide terrorism perpetrated by those who profess to be Muslims - disciples of Mohammed. The fact that our culture has surrendered so many of its core Christian values to the Culture of Death fuels their determination to convert or destroy us. For that reason, we must take up our most powerful weapon: the Rosary. It has saved us in the past and it can save us now. We must ask Mary for the grace to convert our enemies and ourselves. Our prayers and the intercession of the Immaculate Heart of Mary will help to establish the reign of Christ the King.

On November 9, 1976, Karol Cardinal Wojtyla (Pope John Paul II) said: "*We are now standing in the face of the greatest historical confrontation humanity has gone through. I do not think that wide circles of American society or wide circles of the Christian community realize this fully. We are now facing the final confrontation between the Church and the Anti-Church, of the Gospel versus the anti-Gospel.*"
